5. Emma Karolina Nilsson (farmor)

* 1875-09-16 Skacklerud, Alsters parish, Värmland.

She was born with "father unknown". But in the church books in Alsters parish there is a note that "the father is said to be Nils Gustaf Andersson" (No 10), who by that time was the farmhand at the same farm as her mother worked on, Skacklerud.

She lived with her mother in Skacklerud in the year 1890 when she on November 8 moved to Nyeds parish.

In the beginning of 1900 she worked as a maid for the farmer Gustaf Ericsson (No 8) at the farm Mosserud in Nedre Ulleruds parish, Värmland. There she had her son Nils Einar (No 2). The farmer Gustaf Ericsson accused his son Axel (No 4) to be the father.

She worked as a maid at Mosserud until 1909, when she moved with her daughter Karin to Alsters parish. Her son Nils Einar stayed in Mosserud.

She never married in life.

† 1958-07-23 Olserud, Boda parish, Värmland.
