

- The Nelson Family History -

42. Nils Nilsson

* 1797-05-15 Grava parish, Värmland, Sweden.

In 1822 he lived with his family in Öjenäs in Grava parish, Värmland.

On December 26 1823 he married the maid Maria Jonsdotter (No 43). After the wedding she came to live in Öjenäs.

After his father died in 1833 it was common that Nils as the oldest son took over the farm but in this case there must have been some problems because it is as noted in the church books that he from 1834 was set aside and had to live with his family in a cottage on Öjenäs properties. His fathers farm was taken over by his stepmother.

He stayed in the cottage after his wife had died in 1844 and he lived there for the rest of his life.

† 1859-08-18 Öjenäs, Grava parish, Värmland, Sweden.
